Applicant previously filed an Amendment and Response Under 37 CFR 1.116 on September 25, 2006. At the time of filing the response, authorization was given to charge Deposit Account 19-0743 in the amount of \$100.00 for two (2) additional claims. The Examiner mailed an Advisory Action on October 12, 2006 stating that the amendment was not entered; however, it is believed that the \$100.00 claim fee was charged to Deposit Account 19-0743.

Applicant is filing a new Amendment and Response Under 37 CFR 1.116 along with a Request for Continued Examination herewith. Applicant is only adding one (1) additional claim which should have a fee of \$50.00. Applicant believes no fee is due and a refund of \$50.00 should be given to Applicant, however, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,  
XUEQING SUN ET AL.
